A WORD FROM OUR PRESIDENT

Hope everyone has had a great start to 2026. While the first quarter has rapidly come to an end, the Club has had a few issues to contend with during this time, including sewage problems and roof leaks. Thanks to our Equipment Officer, John Colwill, these urgent problems were dealt with and kept the Club operational.

For those who have attended the Club recently, you would have noticed the wood for the new floor has arrived and is being stored indoors to acclimatise it to the Club environment. The floor will begin being laid at the beginning of May and take approximately two weeks to complete, however we need to allow a few extra days for the floor to reach full working capacity. This means that for the first three weeks of May there will be no special events held, but our regular opening hours on Fridays and Sundays should be available. You will be notified of any changes to this in our weekly Austria Club updates. Your cooperation and understanding during this time is greatly appreciated.

Our under-manned Committee has done an exceptional job keeping the Club going and surviving financially. I would like to thank the team for all their hard work, especially those who have been doubling up on roles within the Committee. I'd also like to commend our members who support the Club on a regular basis and hope you all continue to do so.

If you haven't been for a while, please come along, support your Club, enjoy a very good meal and a drink or two at very reasonable prices (especially during Happy Hour!)

Finally the Club needs more support at Committee level so if you would like to volunteer and commit to helping your Club in a more hands-on way, please feel free to get in touch with us.

President

ENTERTAINMENT REPORT

Welcome back to all our Committee and Members and Guest to the Club for 2026, hope you all enjoyed the break over Christmas and New Year.

The Last 4 months we have seen some great events and entertainment, Our New Years Eve dance to welcome in 2026 was a great success with the band Stingray, Valentine's Day was celebrated with a great night of music with the band Midway all the way from Bunbury and they kept the dancers entertained,

In March we celebrated Winefest with the band Rumours, I had some great feedback from this night I would like to thank Heinz for supplying the grapes for our table decorations, Ian Lea for assisting in the wine tastings and also a big thankyou to Paul, Heidi and all the staff who made the winetasting a success and for overseeing the sales of the wines boxing them up for our guest to take when they left.

All these dances were made more entertaining with the support of Adrian keeping the guests entertained during the breaks, All Good Grub Caterers for the fantastic job in preparing and supplying meals during our events and regular openings, and to the Austria Club Committee for the volunteer work they do to keep the club running.

We welcome back our regular groups, The Master Watch and Clockmakers of WA meetings, Table Tennis, Tina's Line Dancing, Thursday Night Dance Classes, Monthly Social Dances, Seniors Lunch, our first trial of Karaoke seemed to go over well and will look at doing it again in the future,

TRUSTEE'S REPORT.

Hello to all our members. The committee has been busy as usual keeping the club running as best as possible for the benefit of all its members.

We welcome a new member to the committee. Stacey Goodall who will take over the position of editor. Our secretary has been editor for a considerable time plus also acting as membership officer. This will take some of the workload off her. Thanks Mimma for all the time and effort you have given to the club.

The new dance floor will be installed in may , lets hope this time it turns out perfect.

Maypole will be celebrated on Sunday 3rd may 2026. Please all come and enjoy yourselves. It would be lovely to have some of our old members attend.

Wishing you all well.
